Preface

The word "Shing", in Chinese, means the succession of the previous to constructing the future. It symbolizes learning the essence of the past, adding new ideas to plan for our future work, thus passing on the virtues from generation to generation.

"Shing" also implies our commitment to assume the responsibilities as an executive committee member of the Social Sciences Society HKUSU to work for the greatest benefits of our members.

"Shing" also signifies our enthusiasm towards fulfilling our duties.

With our wholehearted passion to serve each and every one of our members, we hope to foster a better sense of unity among our members and greater awareness towards social affairs.

If we are given the opportunity to be elected the executive committee of SSSHKUSU for the coming year, we will firmly adhere to our aims and conviction aforementioned to achieve our goals with the best of our efforts.

Annual Aim

- To foster the involvement of HKU students in social affairs
- To foster the mutual understanding amongst Society members
